Congratulations on being selected as one of our prestigious award winners for 2009! Effectively running homeowners associations is extremely challenging, time consuming, and sometimes thankless. It takes real dedication and commitment and you have exhibited both.

Soon, you will receive an e-mail containing a logo for use on your website and/or letterhead. Samples of the logos are shown below. If you choose to utilize the one that is appropriate for your award category, please note that they may not be altered as per Community Associations Institute. The NC chapter obtained special permission to provide these logos for your use and we want to remain in compliance with their rules.

Below are two sample press releases to help you word your own. We recommend tailoring it to you or your community and your specific award category and submitting it to your local newspaper along with a photo. Feel free to write your own- this is just an example of verbiage.

Please note that more information, including news about next year's competition, will be made available at www.cai-nc.org in the resource center.

Thank you again for your participation. Congratulations on your well-deserved award!

Sincerely,

Crystal Whittenton
